HOME DEPARTMENT.

INDIA'S POLICE MISSION.

(Police.)

Bombay, 16th January 1918.

No. 30.—His Majesty the King, Emperor of India, has been pleased to make the King's Police Medal on the following officers and men of the Indian Police establishments:—

MADRAS.

- | Name of officer and rank | Statement of services for which in particular the decoration has been conferred. |
|---|---|
| 1. Frank James Rodner George, Superintendent of Police. | This officer rendered signal services in October 1915, when Khorad town was visited by floods of a very disastrous nature. Portions of the town were from 3 to 12 feet under water and all drains were blocked with debris and filth. It was largely due to the untiring efforts made by Mr. George at great personal risk that only one life was lost. The work effected under the personal direction of this officer after the floods had subsided, viz., that of clearing the streets and lanes of flood water and filth was invaluable in that it prevented the serious threatened danger of a subsequeut epidemic. |
| 2. Khan Bahadur Mehmood Ahmad Ali Sahib, Deputy Superintendent of Police (retired). | Mr. Ahmad Ali has recently retired after a total service of nearly 35 years of which 29 years 5 months were spent in the Police. He has gained a reputation for integrity and benevolence. He was responsible for the detection of many important and difficult cases. |
| 3. Pannambetel Pudi Dammam Pillai, Esq., Inspector of Police. | This Inspector has throughout his service had an excellent reputation for honesty and efficiency. Of the cases which he has been called upon to deal with the most important was one in which a very wealthy Mahomedan of Kottakkal, Thiruvallur district, was murdered in 1917. The case was most complicated and requires had to be made in various parts of the Thiruvallur district and in Coimbatore. The principal accused was a very wealthy man with extensive influence both in Thiruvallur and Coimbatore and it was almost entirely due to this officer's integrity and great ability that the case was properly put up. |
| 4. Abdul Gader Sahib, Police constable. | On the 26th May 1917 the sub-inspector of police, Anantpur, in the Coimbatore district, accompanied by this constable went to conduct searches in two villages inhabited by Velupias and Yellakas. The houses are situated on the banks of the river and are notorious for hiding thieves and robbers of stolen property and are notorious for denying authority. They objected to the searches being conducted and, when the sub-inspector insisted, set upon him and his party and handled them very severely. The police party had to retreat before superior numbers and being pursued retired in different directions. Constable Abdul Gader stayed by the sub-inspector against whom the attack was chiefly directed and did his best to defend him. On reaching a neighbouring village, the constable put the sub-inspector whom he had been directed into the shelter of a house. Though daunted by the few directly villagers who had been with them and alarmed by the sub-inspector to look after himself the constable remained and stood the house against the assailants. The mob however began to break open the door and threatened to set fire to the house, so he was forced to open it. The mob again attacked the sub-inspector but the constable defended him receiving severe injuries in doing so. |

APPOINTMENTS IN REVENUE DEPARTMENT, COIMBATORE DISTRICT.

All persons desiring appointments in the Revenue Department in the Coimbatore district during the year 1918 are requested to send in their applications in the prescribed form, with statements of qualifications and testimonials to the Principal Assistant to the Collector of Coimbatore on or before the 15th February 1918. In the case of School Final candidates, a list showing the marks obtained by them in each subject at the public examination with the Presiding magistrate and moderate marks, if any, should be submitted with the application.

Persons holding temporary or temporary appointments in the Revenue Department without permanent footing, who wish to continue service in the department, should submit their applications on or before 15th February 1918.

All applications received will be considered by a committee which will sit at Coimbatore on 21st February 1918. The committee will consist of the Collector, the Divisional Officer, the Treasury Deputy Collector and the Principal Assistant Deputy Collector. Applicants should be prepared to appear, if required, before the committee on 21st February 1918.

The committee will, after examining the applications and interviewing the applicants, draw up a list of "successful applicants" and in the event of vacancies arising during the year, preference will be given to such applicants as are included in the approved list. It is hoped that appointments will be found to such candidates as are posted on Rs. 30 by direct recruitment in graduation, and a similar number on Rs. 25 by intermediate candidates. Applicants who have no higher qualifications than the Secondary School Leaving Certificate cannot expect to start in a higher grade than that of Rs. 20.

The Collector cannot, however, guarantee such direct recruitment, and cannot undertake to provide appointments for those whose names are entered in the approved list. On the other hand, applicants whose names are registered in the approved list are in no way bound to accept such appointments as may be offered to them, and they are at liberty to accept employment elsewhere if they think fit. If, however, they accept employment elsewhere, they must intimate the fact to the collector.

Applicants whose names are registered in the approved list are at liberty to accept such or temporary appointments in Government service in their or any other district without prejudice to their claims of permanent appointments in the Revenue Department in this district when vacancies arise.

Conditions of Auction Sale.

I. A deposit must be made by each bidder before bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 25 in the case of bidders for not more than two or three shops or of aggregate monthly value of Rs. 25 or less and to Rs. 5 in the case of bidders for single small shops.

II. The shops will be put up to auction in the order in which they are required, unless the selling officer sees reason to change that order. Upon prices will be fixed as the discretion of the Collector. The reserve price placed by Government on the shops will not be published, but the average of the previous five years' rentals will be notified by the Collector, whenever possible, for the information of bidders.

III. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

IV. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of license as of a contract under the ^{Act} ~~Act~~ as to render him undesirable as a holder of a license; or (2) that he is convicted or is accused of a crime; or (3) that his bid is partly speculative; (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village; (5) that he is a constant supplier of country spirits for the auction area, within which the shop is

attended; (U) that he is a better bidder for beer shops; (V) that such a course is necessary to prevent counterfeits to the detriment of Government interests; or (W) for any other valid reason.

V. The shop will be handed down to the highest bidder. If for any of the reasons mentioned in the preceding clause the highest bid is rejected, the next highest shall be taken, or the shop required at the selling officer's discretion. In case of dispute as to the selling officer's action shall be final. The sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless rescinded by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under clause I) for each shop unless the bidder deposits a month or months (two months' rent). Should he fail to do so, the deposit made by him under clause I shall be forfeited and the shop will be put up again immediately by the selling officer, and the above conditions or otherwise disposed of by the Collector and the defaulter will be returned from bidding again for the same on any other day.

VII. Any person in whom a shop has been handed down and who has made deposits as provided in clauses I and VI shall also deposit, in cash or approved securities, within ten days from the date of commencement of the Collector's acceptance of the bid, such further sum as with the deposit made will make up two months' rent and shall without unnecessary delay take out a licence on the conditions hereinafter set forth. In the event of the purchaser's default after notice of the licence, he loses and assigns shall be responsible for all arrears then owing because due to Government under the terms of the licence as well as for the proper abatement of all the liabilities of the licence. Should the bidder default in making such deposit within clause VII, he is liable to be proceeded against as a defaulter.

VIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum provided in clause VII, or, or to give a surety or security to assume a security bond for the due payment of all arrears that may become due by him under the terms of the contract. The bond shall be stamped (Article 57, Schedule I, Act II of 1907) and registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000. In all cases where arrears are demanded the licensee shall be bound to execute a counter-claim agreement.

IX. On the failure of any person to make a deposit at the sale or a licence under clause VII or to comply with any condition or to execute any engagement under clause VIII upon, the deposits already made may be forfeited and the shop may be resold under the order of the District Officer as a sale to be notified by the Collector or may be otherwise disposed of by the latter officer. Should under this clause the shop be at the risk of the defaulting bidder, who will forfeit all sum, such in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the sum arising from the resale, and the remainder, if any, will be returned to the same person as if it were an amount of lost arrears. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be absolutely liable if the shop is resold, or otherwise than by resale and such deposit remains in his hands to Government as consistent with the original sale.

X. The purchaser of any shop or spirit privileges is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal notice may not have been served to him.

XI. The deposits referred to in clauses VII or VIII may be made either in cash or in recognized Government, Port Trust, Municipal or Local Board securities or by depositing Royal Savings Bank pass-books. When deposits are made otherwise than in cash, the Collector may demand that they shall be at such higher rate value than the cash deposit required, as in the circumstances of the market be very much necessary. The securities or Savings Bank pass-books deposited must be endorsed in the name of the Collector and Government promissory notes must be obtained for payment of interest at the treasury at which they are deposited, if so required. Deposits in cash will be effected towards the month's rent or hire due in the last month of the period of the lease. Deposits of securities or savings bank pass-books will be removed upon payment of the full amount of the hire due in cash unless the depositor with this Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must then be paid in cash. In event of default under clause IX of the residence of certain sales or under clause XII of the General conditions applicable to all Alms and Spirit houses, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being returned as arrears.

Conditions of Lease of Licences for Wholesale Vend of Arrack and Sanga.

XII. Applications for the privilege of wholesale sale of country spirits and of intoxicating drugs prepared from the hemp plant shall reach the Collector concerned once before the 1st March 1910 and should be accompanied by a fee of one rupee for arrack deposits and Rs. 10 for gunga deposits, which will be returned to those persons whose applications for licences are not approved. The grant of licences neither to individual persons, nor it will be open to the Collector to grant licences under the conditions to other persons at any time during the currency of the licences for which applications are now invited. Hence, as for the wholesale sale of arrack will be granted to private persons only if they have obtained the consent of the arrack supply contractor of the district to the opening of their depots and deposited such a sum as may be required by the Collector as security for the proper fulfilment of the conditions of the licence. If such depots are not opened to the satisfaction of the Collector, they may be closed at any time. Arrack wholesale depots however will not be granted to persons having licences to retail drugs.

The accounts of the Madras Posts and Telegraphs Co-operative Society, Limited, Rs. 1001. Madras, for the co-operative year ending with 30th June 1918 is audited by M.M. Ry. W. T. Govindaraya Mudaliyar and passed. The three statements (1) receipts and disbursements, (2) profit and loss and (3) assets and liabilities as furnished by him are appended in this order.

2. There were 697 members at the beginning of the year and 697 at its end, and the share capital rose from Rs. 10,000 to Rs. 10,500-10-0. As the society has almost reached the maximum share capital of Rs. 10,000 that it can raise under by-law 6, it is advised to amend the by-law by increasing the share capital to Rs. 10,000.

3. The deposits from members and non-members rose from Rs. 74,800 0-0 to Rs. 10,200-10-0. A sum of Rs. 46,711 in 2,000 loans was disbursed during the year against Rs. 74,800-14-0 in 1,804 loans in the previous year. At the end of the year 700 loans amounting to an amount of Rs. 55,704 4-7 were outstanding against 1,012 loans amounting to an amount of Rs. 36,745-12-7 at the end of the previous year. A sum of Rs. 5,800-5-0 was actually received on 30th June 1918 in 110 instalments.

4. During the year under review the society earned a net profit of Rs. 1,823-8-0 as against Rs. 1,457-4-0 in the previous year; one-fourth of the net profit, i.e., Rs. 450-12-10, should, under by-law 15, be carried to the reserve fund. Deducting Rs. 16-4-0 which the society earned as interest in the accumulated reserve fund invested in the Madras Central Urban Bank, Limited, the society is advised to remit Rs. 337-7-8 to the Madras Central Urban Bank, Limited, for being invested therein. The balance of the net profit is available (i) for distribution as dividend to the shareholders on their paid-up share capital at a rate not exceeding 8 per cent, (ii) for the payment of bonus and bonus-in-arrears provided for in clauses (a) and (b) of by-law 12 and (iii) for the reserve fund not exceeding 75 per cent of the net profit. Should there be a balance after meeting the above charges, it should also be carried to the reserve fund.

5. It is reported that stamped receipts are not being obtained from the society's clerk on the delivery of Rs. 50 per annum paid to him. This is irregular. Stamped receipts should be obtained in future in the above case.

6. It is understood that there was an internal check over accounts and many cases of excess collections and short payments were discovered during audit. The attention of the society is drawn to the by-law 14 (d) and it is requested to have its accounts audited once a quarter by special auditors elected for the purpose according to the provision contained in the by-law. The work of the society was progressive, and the Board of Management are to be congratulated on the improved nature of the institution.

AUDIT ORDER OF THE MADRAS SALT LEADERS' CO-OPERATIVE SOCIETY FOR 1931-32.

The accounts of the Madras Salt Leaders' Co-operative Society for the year ending 31st March 1932 are audited by I. Srinivasan Ayyar and passed. The above statements, viz., (1) receipts and disbursements, (2) profit and loss and (3) assets and liabilities furnished by him are appended to this order.

2. The period under review is the sixth year of the society's existence. There were 41 members at the beginning of the year under review and 40 at the end, including 40 newly admitted and 25 removed during the year. The amount of paid up share capital was Rs. 200 and Rs. 200. There has been very slight fall in the fixed deposits of members, the amount having fallen from Rs. 477-5-10 at the beginning of the year to Rs. 478-4-0 at the end. The society did not raise any loan during the year.

3. Loans outstanding against members at the beginning of the year amounted to Rs. 620-12-0 and at the end to Rs. 1,050-4-1. A sum of Rs. 4,120-12-0 was disbursed as loans to members during the year, of this Rs. 2,647-4-0 was repaid by members. It is noted with much pleasure that the repayments were regular. There is a loss of Rs. 1,500 outstanding from the Irinamankudi co-operative society.

4. The society did the lending and collecting business this year also as in the previous year. The loans charges actually received from Government and merchants and paid to workers, waiters and collecting during the year were Rs. 28,825-5-8 and Rs. 20,278-2-4 respectively.

5. During the year under review the society worked at a net profit of Rs. 100-10-0 as against Rs. 4,120-12-0 in the previous year. Taking the collecting contract alone the society worked at a net loss of Rs. 278-12-0 during the year as against a net profit of Rs. 2,780-12-0 in the previous year. The heavy loss was due to the fact that the society had to write back the loss of Rs. 1,510-5-1 and it could have been avoided only if the society had been careful to keep proper account of the returns of the empty gutters to the salt department. As the lending business the society was able to secure only a net profit of Rs. 500-0-0 in this year as against Rs. 1,050-4-1 in the previous year. As per bylaw No. 35 of the society, one-fourth of the net profits, viz., Rs. 25-16-7 should be carried to the credit of the reserve fund and out of the balance, half or such lesser portion may be devoted to the payment of dividend not exceeding 2½ per cent on the paid up share capital and the remainder may be divided among members in proportion to the work done by each member. With the interest Rs. 25-16-7, the total amount to the credit of reserve fund will be Rs. 1,070-5-0.

6. It has been observed during the final audit of the society that the accounts were not properly kept and that consequently a sum of Rs. 44-10-0 was found short in settling the arrears due in the cash book. The society is directed to recover the amount from the person responsible for the mistake and bring it to account.

7. In passing the society's work during the year under review cannot be said to be satisfactory. It is hoped that the society would be able to turn out better work during the current year.

A TRUE ORDER OF THE CHINTAMNET CO-OPERATIVE SOCIETY, LIMITED, FOR 1918-19

The accounts of the Chintamnet Co-operative Credit Society, Limited, No. 107B, in the City of Madras for the respective year ending with 31st June 1919 are audited by Mr. C. M. S. Prakasam, (F.O.C.), certified accountant and auditor, and passed. The three statements viz., (1) receipts and disbursements, (2) profit and loss and (3) assets and liabilities as furnished by him are accepted and are true.

5. During the year under review the number of members rose from 147 to 200 and the share capital from Rs. 2,500-0-0 to Rs. 4,375-0-0 while deposits from members fell from Rs. 3,715-10-0 to Rs. 3,428-0-0 that is, less, non-members rose from Rs. 3,500-0-0 to Rs. 3,375-0-0. The fall in deposits from members was due to the repayment of large sums of deposits to members and payment of equally large sums of fresh deposits during the year. The society borrowed during the year a sum of Rs. 2,000 from the Government Reserve Co-operative Society, Madras, and repaid Rs. 1,500 leaving a balance of Rs. 500 as outstanding at the end of the year.

6. Thirty-one loans amounting to Rs. 14,000-0-0 were disbursed during the year to members. A sum of Rs. 11,500-0-0 was repaid during the year. One hundred and eighty loans to the extent of Rs. 14,000-0-0 were outstanding at the end of the year. The balance sheet indicates a surplus to show that the amount of surplus loans is increasing every year. There were 81 loans outstanding to Rs. 3,500-0-0 as credit loans on 31st June 1919. The attention of the members of the board of management is invited to the heavy credit loans and they are requested to take prompt measures to reduce the arrears.

7. The society earned a net profit of Rs. 754-14-10 during the year. As per bye-law 80 one-fourth of the net profit, viz. Rs. 187-10-9 should be carried to the credit of the reserve fund. Another one-fourth on Rs. 187-10-9 is available for distribution as bonuses to Directors. Out of the remainder a dividend not exceeding 2 per cent may be paid to the members proportionately to the amount of paid-up share capital held by each member. The balance, if any, will be added to the reserve. The amount to be invested in reserve fund is shown below—

| | |
|---|----------|
| One-fifth of the net profit | 347 10 9 |
| Add balance available after paying dividend out of profits of 1918-17 | 79 0 0 |
| as per bye-law 80 | 367 0 9 |
| Dividend interest earned on the amount already invested | 3 10 10 |
| Set against to be retained | 363 10 7 |

The society is requested to remit Rs. 203-10-7 to the Madras Central Union Bank, Limited, as the credit of the reserve fund. With this addition the total reserve will amount to Rs. 426-0-4.

8. The society's work is good. But the accumulation of members' arrears is a real menace to the well-being of the society. Steps should be taken to reduce the arrears. The society has not converted into a single general meeting during the year under review. It is hoped that a similar defect may not recur.

4. The society earned during the year a net profit of Rs. 1,001-12-1 which should, under by law No. 26, be paid up as follows:—

(1) One-fourth to the Reserve Fund, viz., Rs. 1,251-15-4.

(2) Out of the remainder a dividend may be paid up to a maximum of 5 per cent on the paid-up share capital.

(3) Out of the balance if any a sum not exceeding 15 per cent of the net profit may be carried forward to reserve fund. The balance, if any, left after making the above dividend shall be added to the Reserve Fund. With the amount of Rs. 1,664-2-0 the total amount of Reserve Fund to the credit of the society will be Rs. 4,565-10-5.

5. The work of the society was on the whole good. There were only two constructive meetings held for the whole year. Attempts should be made to reduce the committee. The managing committee would do well to meet at least once a quarter.

AUDIT ORDER OF THE MADRAS CITY CO-OPERATIVE BANK, LIMITED, FOR 1917-18.

The accounts of the Madras City Co-operative Bank, Limited, No. 860, for the co-operative year ending 30th June 1918 are audited by Inspector M.R.S. G. Narayanaswami Mudaliyar and passed "Satisfactory" showing (1) receipts and disbursements, (2) profit and loss (3) assets and liabilities as they stood on the 30th June 1918 are appended to this order.

2. The period under review is the sixth year of the Bank's existence. There was an increase in the transactions of the Bank all round. The number of members rose from 623 at the beginning of the year to 643 at its close. A large number of fresh applications were made during the year while the withdrawals were very few as compared with the figures of the previous year. In the previous year there was a tendency on the part of members to withdraw in large numbers. The movement pointed last year to by-law 11 of the bank restricting the withdrawal of share capital in any one year to not more than 10 per cent of the total paid-up capital for that year had no good effect. The working share capital of the bank rose from Rs. 81,735 on the 30th June 1917 to Rs. 44,014-5-8 on the 30th June 1918. The deposits of members and non-members held by the Bank also rose from Rs. 1,14,386-4-0 at the beginning of the year to Rs. 1,58,168-14-4 at its close.

3. Two hundred and \$41/10 also loans amounting to Rs. 1,58,168 were outstanding against members at the beginning of the year and 170 loans amounting to Rs. 66,007 were disbursed during the year. Out hundred and thirty-nine loans amounting to Rs. 17,888 were completely discharged and a sum of Rs. 18,141 was received as part payment. Thus the number of loans outstanding at the end of the year was 245 amounting to Rs. 1,28,168. Of these 56 loans amounting to Rs. 7,519 were overdue. At the end of the previous year there were 55 cases of overdue loans amounting to Rs. 7,519. The Bank is required to limit on disbursements greater prudence.

4. The Bank earned a net profit of Rs. 8,121-3-8 during the year. One-fourth of this, viz. Rs. 1,955-5-5 should under by-law 11 be carried to the credit of the Reserve Fund; one-eighth of the net profit, viz. Rs. 1,015-10-4 is available for distribution as bonus to members. Out of the remainder Rs. 5,150-8-9, a dividend not exceeding 5 per cent shall be paid to the members proportionately to the amount of paid up share-capital held by each member and according to the number of full months during which it was held. If after payment of dividend, any balance is left, it shall also be carried to the credit of the Reserve Fund as there is no provision for dividend equalisation fund in the rules used by Government order det. 11 of 1907. But there is an objection to carrying the difference between the amount rate disbursed and 5 per cent to the Dividend Equalisation Fund.

5. It is reported that there were frequent changes in the Bank's office establishment during the year under review specially at its close and that consequently some of the ledgers were not going up to date. Considering the heavy transactions, the Bank is advised to maintain a full and correct record of Manager to ensure the proper maintenance of the accounts.

6. The Bank has done good work in the year and continues to be popular. The continued success of the institution is due to a large measure to the interest and care of the members by its architect and secretary M.R.S. G. Narayanaswami Mudaliyar, M.A., B.A. The continued good work of the Bank also reflects good credit on the other members of the Board of Management.

AUDIT ORDER OF THE MADRAS AND SOUTHERN RAILWAY RAILWAY
EMPLOYEES' DEPOSIT BANK, LIMITED, FOR 1947-48.

The accounts of the Malayan and Southern Malayan Railway Employees' Urban Bank, Ltd., No. 42, for the co-operative year ending 31st June 1958, as audited by Mr. H. E. W. T. Gnanasekara Mudalige, are passed. Statements of (1) receipts and disbursements, (2) profit and loss and (3) assets and liabilities are appended to this order.

3. The year under review was the thirteenth year of the bank's working. The number of members rose from 2,881 at the beginning of the year to 4,202 at its end, as also the amount of share capital from Rs. 83,435 to Rs. 78,038 and deposits from Rs. 88,318-6-8 to Rs. 74,780-4-34.

During the year 1,508 loans amounting to \$3,746,000 were disbursed to members as against 1,937 loans amounting to \$3,251,000 in the previous year. All these loans except one were granted on the joint and several responsibility of the borrowers and the mortgagor. Only one loan was granted on the security of immovable property. The number and amount of outstanding loans and members at the end of the year were 2,784 and \$1,153,400—25 respectively. Out of these 21 cases involving Rs. 1,812-5-6 were started towards principal as against 184 and Rs. 5,018-12-6 respectively in the previous year.

6. The bank earned a net profit of \$2,500.00 during the year as against \$2,000.00 in the previous year. As per by-law No. 15 of the bank, one-fourth of the net profits, viz., \$625.00, should be carried to the reserve fund. The balance available may be distributed as dividends to shareholders subject to the condition that the amount of dividend to be declared, together with the amount that may be earned on the share premium fund, shall not exceed 6 per cent on the paid-up share

3. With the amount of Rs. 2,750-0-0 to be credited to the reserve fund as required in paragraph 4 above, the total reserves fund with amount of Rs. 17,750-0-0 and the total Rs. 2,750 credited in May 1941 to the fund for the year ending at Rs. 650-11-0 on the reserve fund is transferred to the Madras Central Urban Bank. Subsequently the sum from Rs. 2,125-0-0, the bank is required to remit to the Madras Central Urban Bank for balance, i.e., a sum of Rs. 650-11-0.

6. It has been observed during the audit that stamped receipts are not being taken from clerks who draw pay in excess of Rs. 50 per month. The bank is therefore advised to take stamped receipts in future.

7. The work of the bank during the year under report was satisfactory. The board of management is gratified by the continued good work of the bank.
